CUSTOMISE WITH COLOUR

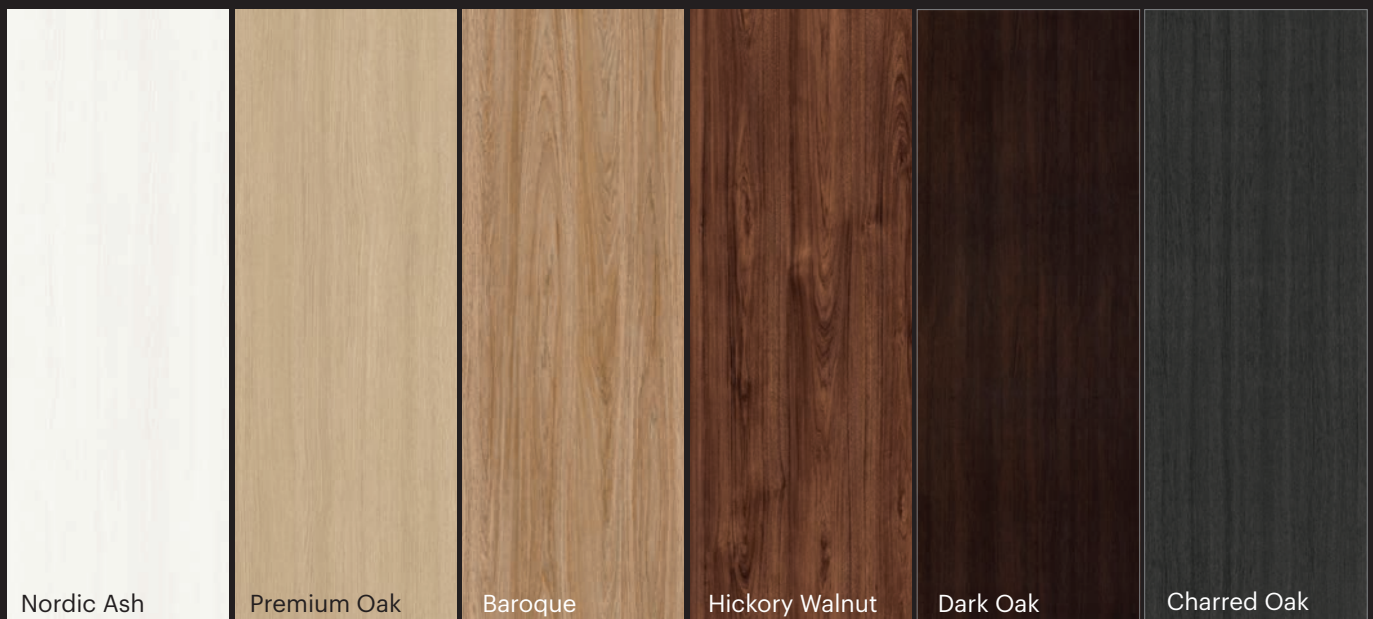

ESSENTIAL COLOURS

This range offers a colour palette from light and bright to dark and moody. These are **12 of the most popular kitchen colours in NZ.**

ESSENTIAL WOODGRAIN

Our Essential Woodgrain range has 6 wood tones that offer a warm look to your cabinetry.

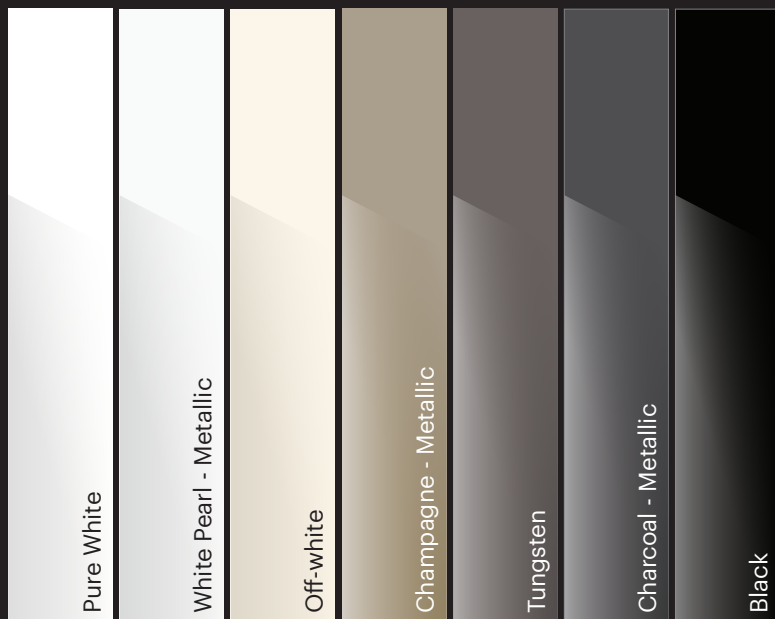

Other melamine colours: Looking for something more unique? Choose from a wide range of other colours of New Zealand Melamine - just ask instore.

PREMIUM FINISHES

ULTRAGLOSS RANGE

With a beautiful reflective quality and scratch resistant technology, ultragloss breathes light and life into kitchen spaces. Dramatic, yet durable – an exceptional finish that is simply stunning.

ULTRATOUCH RANGE

The velvet soft, satin matt finish resists fingerprints and provides a sensory experience like no other. The soft, smooth look belies the durability of this market leading European technology.

MINIMAL RANGE

THE ULTIMATE IN HANDLE-FREE DESIGN FEATURING SEAMLESS SOFT45™ DOORS.

Exclusive technology and market-leading New Zealand innovation combine to create a stunning handle-free design. Backed by extensive research and development, the unique soft45™ panel delivers the signature uninterrupted lines of the minimal range – elegant, subtle and sophisticated.

HANDLES

LAMINATE BENCHTOPS

1. BLANKS

These are available in 6 colours and 4 sizes. This option will require an installer to cut them to size and clash the ends where required.

2. TOP SIX

Also available in 6 colours, this range is pre-cut and pre-edged ready to be installed.

3. LOCAL SUPPLIERS

Talk to your local ITM store about other laminate finishes or solid surface tops.

ASSEMBLY

Our kitchens are delivered clearly labelled and with easily readable instructions. They can be easily assembled by any builder or competent DIYer. If you would like a hand, talk to your local ITM store.

GETTING STARTED

PROCESS TO PURCHASE AN UNO KITCHEN FROM ITM

01.

Check out the displays and showrooms at over 30 of our ITM stores across the country. You'll find your nearest display store on www.unokitchens.co.nz

02.

Create your kitchen plan with our local ITM staff or bring in your own kitchen plan to get a quote. We will create a 3D drawing of the kitchen for you during this process.

03.

Complete a site measure after appliances have been selected, and finalise your quote.

04.

Place your order and get your estimated delivery date (we think you'll be surprised at how quick it is!).
